HOW TO USE THIS PARTS PRICE LIST

To find a part number and its list price:

- First, **start with the product** where the part is used.
- Next, **scan the descriptions** shown below the product.
- Once you find the description, **determine the finish**, if applicable.
- From there, **note the part number** to use when ordering. If directed, refer to the HOW TO ORDER guide used to order most arm assemblies, channel assemblies, and handle assemblies.

If you are unable to find a part, or if you already know the part number but do not know where it is being used and you need its list price, please contact Glynn-Johnson Customer Service using the information provided on the inside front cover.

Bold pricing indicates item is in stock and available for **Fast Track** and **ProXpress**.
